

Epiphany Catholic School: Incoming 4th – 7th Grade ReadingPlus Summer Skills

Students **currently** in 3-7th grades are asked to complete **ReadingPlus** assignments this summer. Studies have shown that students may lose up to two months of reading gains during a summer break. ReadingPlus use may prevent that summer reading loss. We certainly understand that families have vacation plans and we anticipate students missing a few lessons, as needed.

Students will be assigned the following lessons each week.

- 1 SeeReader (SR) Lesson
- 3 ReadAloud (RA) Lessons
- 1 iBalance (iB) Lesson

The screenshot displays the ReadingPlus dashboard for Epiphany School. The dashboard includes a navigation bar with links for Dashboard, Lessons, Messages, Writing, Parents, and Log Out. The main content area features a large image of a globe with a person reading, and a section titled "Select a program and begin lessons!". This section lists three programs: Reading (SR), Vocabulary (RA), and Visual Skills (iB). Each program has a progress bar and a checkbox for "This Week's Lessons". The Reading program shows 9 more combos to finish the level. The Vocabulary program shows 14 more words to master. The Visual Skills program shows 6 days, 12 hours left for this week's assignments to be completed. Below this, there is a section for "Your Total Assignment Completion" with a goal bar for each program: SR (91/85), RA (38/82), and iB (4/19).

Students who complete all the lessons during the summer will receive special recognition at the start of the school year.
