

Epiphany Catholic School: *Incoming 6th Grade Math Summer Skills*

Students are **strongly suggested** to practice **math skills** during the summer using the IXL website/app. **Students should work on the grade level they have just completed. For example, a rising sixth grader should work on fifth grade skills.** Students are expected to achieve a SmartScore of 80 or higher for each skill they practice. While all of the skills listed under their **outgoing grade** are great to practice, below are the most recommended skills. We are suggesting students to **complete 2 skills per week**. You may note completed skills on attached log. ECS will recognize students completing weekly skills.

RECOMMENDED 5TH GRADE SKILLS FOR RISING 6TH GRADERS

Please note that some/many of the skills may have already been completed during the school year.

<u>Place Value & Number Sense</u> A.10 A.11 <u>Exponents</u> E.2 <u>Add & Subtract Decimals</u> H.3 <u>Fractions & Mixed Numbers</u> K.4 K.6	<u>Add & Subtract Fractions</u> L.8 L.10 L.18 L.19 L.20 <u>Multiply Fractions</u> M.23 M.24 <u>Divide Fractions</u> N.5 N.8 N.9 <u>Mixed Operations</u> O.5
